

Grade 2 Number Corner Planner

August–September 2010 Beginning Monday, Aug. 23rd

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p>Note: As you are starting two weeks earlier than other parts of the country, in August don't use Sept apple calendar markers. (Use numbered cards or some other pattern you have already.) This plan has you doing September activities for four weeks. Then you move into using the October components for the last two weeks of September (except for calendar markers). When you get to October, download the October planner, start where you left off, in the middle of the month. Start Nov activities near the end of Oct, the finish the year with Dec activities. In Jan start from square one. Contact me if you have any questions dennisa@mathlearningcenter.org</p>
