

## Sharing Responsibilities for Grade 3 November Number Corner

You might also find the materials list on page 102 in your Number Corner Teachers Guide helpful for advance preparation.

Task	Team Member	Date Due to Others
1. Run copies of the following Number Corner Blacklines for each classroom: NC 3.1–3.6 optional, half-class set (cut out and stored in an envelope) NC 3.7 3 copies, stapled together NC 3.8 1 copy NC 3.9, 3.10 1 copy, taped together NC 2.1 optional, class set (cut out and stored in an envelope) NC 1.4 15–20 copies in one color and 15–20 copies in another, cut apart and stored in an envelope (only if you use the Talking Bubbles)		
2. Make enlarged copies of Blacklines NC 3.9 and 3.10 to create larger World Temperature Maps. (Whoever does task 1 above will not have to run regular copies of these blacklines if you choose to make these enlarged versions.)		
3. Run class sets of Number Corner Student Book pages 17–25 if you don't have class sets of Student Books.		
4. Cut apart the Right Angle Measures overheads (Overheads NC 3.1 and 3.2) and store the set in an envelope.	Each teacher will do this for his or her own classroom.	N/A
5. Mount the thermometer(s) in an outdoor location to which students have safe and easy access. (See pp. 112 and 114 for more information about how students will use the thermometers this month.)
