This story is excerpted from the read-aloud books included in the Bridges in Mathematics Pre-K curriculum. This math-rich collection features theme-based counting and numeral recognition, sequencing, shapes and locations, and very early addition and subtraction. For more information about these books, including how to order the full printed collection of nine titles, visit store.mathlearningcenter.org/bridges-2nd-edition/2bpkread.asp.

The Math Learning Center is a nonprofit organization serving the education community. Our mission is to inspire and enable individuals to discover and develop their mathematical confidence and ability. We offer innovative and standards-based professional development, curriculum, materials, and resources to support learning and teaching. To find out more, visit us at www.mathlearningcenter.org.

Five Little Apples

*Traditional chant retold by Allyn Fisher
Art by Amber Cooper*

Five little apples hanging on a tree
Looking so shiny and good to eat
Along came a little girl looking for a treat
Who picked an apple...
Crunch, crunch, how sweet!

5

Four little apples hanging on a tree
Looking so shiny and good to eat
Along came a little boy looking for a treat
Who picked an apple...
Crunch, crunch, how sweet!

4

Three little apples hanging on a tree
Looking so shiny and good to eat
Along came a little bear looking for a treat
Who picked an apple...
Crunch, crunch, how sweet!

Two little apples hanging on a tree
Looking so shiny and good to eat
Along came a little dog looking for a treat
Who picked an apple...
Crunch, crunch, how sweet!

One little apple hanging on a tree

Looking so shiny and good to eat

Along came a little squirrel looking for a treat

Who picked that apple...

Crunch, crunch, how sweet!
