**This story is excerpted from the read-aloud books included in the Bridges in Mathematics Pre-K curriculum. This math-rich collection features theme-based counting and numeral recognition, sequencing, shapes and locations, and very early addition and subtraction. For more information about these books, including how to order the full printed collection of nine titles, visit [store.mathlearningcenter.org/bridges-2nd-edition/2bpkread.asp](http://store.mathlearningcenter.org/bridges-2nd-edition/2bpkread.asp).**

The Math Learning Center is a nonprofit organization serving the education community. Our mission is to inspire and enable individuals to discover and develop their mathematical confidence and ability. We offer innovative and standards-based professional development, curriculum, materials, and resources to support learning and teaching. To find out more, visit us at [www.mathlearningcenter.org](http://www.mathlearningcenter.org).

# TEDDY BEARS

COUNT TO TEN

Teddy Bear, Teddy Bear  
play and have fun,  
Teddy Bear, Teddy Bear  
count to one.
